Profile

I develop standards-based, cross-browser compatible, user interfaces. I am currently available to accept new projects, either locally, or via telecommute.

Skills

- Hand coded HTML, CSS/SASS, Javascript/jQuery and PHP
- Adobe Creative Suite , including Illustrator, Photoshop, Flash, InDesign, Premiere Pro, Acrobat and Soundbooth CS5
- Bohemian Coding's Sketch
- Pixelmator
- Content Management Systems Concrete5 and Wordpress - Local MAMP and remote migration/installation
- Git Version Control (I currently use Github for public projects and Springloops for client work)
- Sublime Text 3 - check out my color scheme with Sass syntax highlighting: [Blue Lover](#)
- Mac and PC agnostic - I'm comfortable working with either operating system(XP and up: OS 9 and up) and/or office suite.

Education

Westwood College, Denver, CO — Bachelor of Science in Web Design and Multimedia Communications — **Magna Cum Laude**, July 2011

University of Central Oklahoma, Edmond, OK — Bachelor of Science in Criminal Justice, May 2003

Experience

DESIGNER/DEVELOPER, [RJLEWISDESIGN](#) :: AUGUST 2010 - PRESENT

I catalogue my progress and misadventures as a contract designer/developer on my website: justrijlewis.com. I have also highlighted a few experiences here in my resume.

DEVELOPER, [MCLEOD COUNTY FAIR : CONTRACTOR REFERRALS, INC.](#) : [AVEYRON HOMES](#) :: MANHATTAN, KS — MARCH - JUNE 2012

Converting theme designs to Concrete5 packages for Jackpine Web Design from PSD and/or coded HTML. These packages included customized drop-down navigation and page list templates.

CONSULTANT, [APEX MEDICAL SYSTEMS](#) :: MANHATTAN, KS — APRIL 2012

Educated and advised the company's technology officer on design elements and coding in HTML and CSS

DEVELOPER, [JACK&JEAN DESIGN AND DEVELOPMENT STUDIOS](#) :: MANHATTAN, KS — JUNE 2012 - PRESENT

This is a joint branding effort between myself and Karen Eckstrom (Jackpine Web Design) to collaborate on Concrete5 Marketplace items and select client work. Under this partnership, I have begun packaging blocks, as well as themes for clients.
